# Who Am I?

## MEET THE TDI ACROBATIC DANCE INSTRUCTOR

My name is **Lonnetta Grant**, the founder, and CEO of **The Dynasty Institute**—but my students and dance parents affectionately call me **Ms. Lonnie**. And like your young dancer, I once had a dream that was only made possible by my early dance lessons.

My dance journey started at the Boys & Girls Club, where I was first introduced to the arts when resources were extremely limited. I've since gone on to dance with big companies, win awards, and become an internationally accredited dance instructor, as well as a certified dance adjudicator and renowned dance keynote speaker.

My passion is now helping budding talented youth tap into the well of their creativity through my winning signature online acro dance system exclusive to The Dynasty Institute. This system has made the lives of dance parents and their children so much easier, and I know it can do the same for you.
